Comments:

Parties have requested to discuss ongoing discovery issues.

Plaintiff (Mr. Williamson):

- common council meeting going on as we speak - should have vote today - are optimistic but City Attorney still has to sign the agreement and it will need to be submitted to the Court
- should have better sense by this afternoon of the status

Defendants (Mr. Russell):

- have voted and 8 members have approved - cautiously optimistic full common council will approve

Plaintiff (Mr. Dougherty):

- still have two more layers of approval to go through before settlement would be real
- don't think can hold anything in abeyance since have a looming trial date in September
- think is essential to keep things moving

Court:

- in light of the information regarding settlement, will not address discovery issues today - will readdress on Thursday

Telephonic Pre-Motion Conference set for: 7/12/18 at 2:00 p.m.
